### **Walking the Neighborhoods Connecting with our Citizens**

The Residential Neighborhoods Committee along with other City Council Members will begin walking the neighborhoods and connecting with our Citizens on **Thursday, July 28, 2016 at 6:00 p.m.** This initiative will provide council members the opportunity to talk with citizens while looking at various neighborhoods in our city. Members of the Residential Neighborhoods Committee are Jo Broden, Vice Chairperson, Regina Williams-Preston, and John Voorde.

Some of the key concerns expressed during previous walks were the need for curbs and sidewalks, cutting of grass in vacant lots, inadequate lighting and crime prevention.
